

MXV

BRONZE

Customized vehicle tracking services to suit your personal needs

INTRODUCING THE NEW MATRIX MXV SOLUTION

Matrix MXV gives you the flexibility to add specific services to your subscription based on your personal needs. MXV includes GPS Pinpoint Positioning as the base service, in addition to the standard features.

Use the new Matrix Vehicle Tracking app to see the location of all the vehicles on your account on the map. To add any of the additional services, simply select the icon of the service in the Matrix app to request activation.

All Matrix solutions include these Standard Features

- 

GPS Pinpoint Positioning
- 

Smartphone App
- 

National Network Coverage
- 

24/7 National Operations Centre
- 

Auto Testing & Confidence Checks
- 

Insurance Approved

Services included in MXV Bronze

- 

Stolen Vehicle Recovery
Recovery of your vehicle in case of theft or hijacking.
- 

Trips
View individual trips on a map and customise location names.

In addition to the mentioned services, MXV subscribers can add the following services to their subscription at an additional fee per month. Simply contact customercare@matrix.co.za or select the relevant icon on in the Matrix Vehicle Tracking App and request the service to be activated.

- 

Panic Alert with Remote
Silent distress signal via a remote to request emergency assistance or roadside assistance.
- 

GeoLoc Advanced Alert
An anti-theft solution that alerts you if your vehicle is moved without your consent. Enabled via the mobile app.
- 

Crash Alert
The tracking device will detect impact and send an alert to the 24-hour response centre if your vehicle is involved in an accident.
- 

Power Down
An alert is triggered when the Matrix unit's main power is disconnected.
- 

Roadside & Medical Assist
Request roadside and medical assistance 24/7 using the mobile app or panic remote.
- 

No-Go Zones
Alerts you when your vehicle enters pre-defined high-risk areas.
- 

Border Alert
Notifies you when your vehicle gets near a South African border.
- 

Matrix Protect
Additional services including licence renewals, assistance with fines and RAF claims, windscreen repairs and claims due to pothole damage.
